

Accessibilities Committee

The members of the Accessibilities Committee explore, develop, and offer alternatives to help bring the A.A. message and participation in our program available to everyone.

The goal is to make A.A. accessible.

Who We Serve

We help inform and offer means of accessing the AA message to those members who are hospitalized, home bound or chronically ill, assisted living facility, wheelchair-bound, Deaf, hard of hearing, blind, sight impaired, limited reading skills or developmentally disabled.
